

## OUR MISSION

Youth Church Incentive Program (YCIP) is a vision and a assignment from GOD to save the children and the Church.

Our focus is to inspire young people to come to Church and to help them love being there. We will give Churches ideas that will keep Youth engaged and involved through participation in Church activities and programs.

## KEEP YOUR CHURCH ALIVE

Since it's not our fault we were born in sin and we are living in sin. We do not have a perfect world but we have the ability to change in the order of GOD'S Commandments. So put your pride aside and be open for new ideas. Call on your family, responsible young people, Church members and other Churches for advice and new ideas to keep your Church alive.

Our Youth Church Incentive Program will bring spiritual benefits to the Youth and the Church.

## Proverbs 22:6 King James Version
